I Alah .

Mr. Joseph E. Snyder, President Color Corporation of America Tamps, Florida

Dear Mr. Sayter:

Your letter of 6 July to Mr. Bullon expersing "The Photograp or in Space" program has been referred to me and I would like to suggest some publications which may prove marks to you. The Rand Carpore for or Santa Mosica, California, published some of their findings in Rand P-1935, "On the Redo-of-the-Goom Photographs—Here Date, Photographs and Speculation," 10 February 1960.

Serlier, a Mend staff prepared the "Space Sendonek: Astronom ics and its Applications" as a Staff Report of the Moune Select County or on Astronomics and Space Replanation, U.S. Sovernment Printing Office On Astronomics and Space Replanation, U.S. Sovernment Printing Office Weshington: 1999. In the forward listing of people who waited on the Space Residence are the same of many technical people the adjut be considered in expection with year program. For your convenience, I as succeeding a copy of the Space Residence. You will she netler that ill through the Manthook are formates which list the names of straters and other references which that the names of straters and other references which could provide additional leafs.

We appreciate your courtesy in writing to us and we wish you and the organizations you represent every success at the Chitego meeting.

Sincerely,

Signed
